

BSB51415 DIPLOMA OF PROJECT MANAGEMENT

CRICOS 090751D

COURSE OVERVIEW

Exciting and challenging projects are kicking off everyday in workplaces throughout Australia and the world. Demand for qualified project managers is at an all-time high, with this trend set to continue well into the future.

The Diploma of Project Management is designed to enhance your knowledge and give you the skills, methods, techniques and tools to manage projects more effectively. You will develop the key skills required to efficiently manage all aspects of projects including cost, time, quality, risk, procurement, scope and building teams.

The broad range of competencies acquired in this Diploma will give you the ability to plan, execute and lead successful projects across all industries and organisational settings to meet global industry demand.

JOB PROSPECTS

Project Administrators, Program Manager, Project Team Leader, Contract Officers, Quality Officers, Small Business Operators, Events Coordinator

ENTRY REQUIREMENT

- Students must be at least 18 years old.
- Completion of Year 12 or equivalent.
- Non school-leavers are selected according to eligibility and merit, vocational experience, previous study and personal competencies.
- English language requirements: IELTS 5.5 (with no individual band less than 5.0).

PATHWAYS

Project Management provides career opportunities for challenging management positions across a wide range of industries including business, health, construction, engineering, defence, events management, marketing, human resources management and education.

Completion of a Site Institute Diploma of Project Management will provide you with a pathway into a Bachelor degree at leading Australian Universities.

This means you can cut down the amount of time and money you need to complete your degree, or in some cases, even enrol straight into the second year of your university course.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is available for each Unit of Competency based on relevant workplace experience, formal training or other expertise.

Recognition will involve mapping and submission of evidence in a portfolio form to be assessed by Site Institute assessors.
